AMENDMENT AFTER NOTICE OF ALLOWANCE AND FEE(S) DUE
UNDER 37 C.F.R. § 1.312

Dear Sir:

Applicant has received a Notice of Allowability dated August 13, 2004, stating that Claims 1-6, 8-17, and 19-32 are allowed for the above-identified application. Pursuant to 37 C.F.R. § 1.312, Applicant submits an Amendment correcting minor typographical errors in the claims. This Amendment is being filed before the payment of the issue fee. This Amendment After Notice of Allowance adds no new matter, corrects formal matters without affecting the scope of the claims, provides editorial revision in support of patent printing, warrants no further prosecution of the merits of the present application, and is therefore well within the discretion of the Office to grant and enter. A single clean version of the claims incorporating all amendments is attached to this Amendment as Appendix A.
